Non-GMO STATEMENT

All Lakewood Organic Products are non-GMO (Genetically Modified Organisms) Certified by Quality Certification Services (QCS) under the USDA-NOP Organic Certification Program. The USDA National Organic Program (NOP) regulations prohibit the use of GMO's as "excluded methods" under 7 CFR § 205.105 in Organic Agriculture.

All Lakewood Premium Products do not contain GMOs as indicated by the U.S. FDA Guidance for Industry: Voluntary Labeling Indicating Whether Foods Have or Have Not Been Derived from Genetically Engineered Plants as per 80 FR 73194. For more information please visit FDA's Guidance Document at <https://www.fda.gov/Food/GuidanceRegulation/GuidanceDocumentsRegulatoryInformation/LabelingNutrition/ucm059098.htm>.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rafael Lopez", is written over a horizontal line.

Rafael Lopez
